WATER WETTER® COOLANT ADDITIVE

Great for cars, trucks, motorcycles, RVs, ATVs and snow mobiles. Helps control overheating and allows engine to run up to 20% cooler. Doubles the wetting ability of water, improves heat transfer, reduces cylinder head temperature, reduces rust, corrosion and electrolysis, cleans and lubricates water pump seals. Water Wetter® can be used with all antifreeze/coolants. A 12 oz. bottle treats an automotive cooling system of 12 to 20 quarts or 1 oz. per quart.

NO-ROSION® COOLANT ADDITIVE

When added to a cooling system, No-Rosion® chemically reacts to: 1) neutralize existing weak acids; 2) stabilize coolant pH; 3) chemically remove dissolved oxygen; 4) prevent silicate and hard water gels and deposits; 5) prevent corrosion and electrolysis of all six metals (including aluminum) found in cooling systems; and 6) prevent wet-sleeve cylinder liner cavitation and erosion. Does not contain any detrimental petroleum distillates that could stimulate the gelling of antifreeze, leading to scales and deposits. One pint of No-Rosion® protects cooling systems of up to 22 quarts in capacity for one year in irregularly driven vehicles, or 30,000 miles of use for regularly driven vehicles. Can be used in plain water applications (without antifreeze) at 50% higher dosages.

Mustang Club of America

Founded 1976

Now there's an International Club for owners of these superb automobiles.

Mustang Club of America is a non-profit organization dedicated to the preservation, care, history and enjoyment of all model years of Mustang, Shelby, Boss, Saleen, Roush, SVT Cobra, Steeda and McLaren. You'll find members throughout the United States, Canada and World Wide and more than 170 local chapters.

WHY A MUSTANG CLUB?

MCA was formed to band together owners of this superb automobile... to provide a medium of exchange for ideas, technical information, amusing reminiscences, and the purchase of parts- often at substantial discount. Lasting friendships have been formed through regional get-togethers and as a result of the Club's Regional and National meets.

PRIZED POSSESSION

Mustangs and Shelbys are greatly in demand these days, and a good one is rarely offered for sale because discriminating owners realize they possess an automobile of advanced design and beauty, one that will retain its saucy, modern appearance for years to come with a little loving care. These people have insight and sound judgement, and the Mustang Club of America wants to help them preserve their cars.

For many such judicious and intelligent folks the savings in time and money in parts location alone have been reason enough for being members of our growing institution. Some dote on tech tips, while for others, the camaraderie that exists between persons of like tastes is their compelling reason for belonging to the Mustang Club of America.

WHO BELONGS?

MCA boasts people of all ages - from teenagers to senior citizens...also people from all professions - from doctors to housewives. Everyone finds something of value in their membership. For this company of people, there's a lot of fun in driving a Mustang or Shelby. To them it's a daily holiday, a pick-me-up that never lets them down. It's a full expression of their love of life and the chance to live the life they love. The MCA wants to keep them feeling that way.

Every new member receives a welcoming letter, a membership card and 2 windshield decals, along with the next 12 issues of the *Mustang Times* upon payment of dues. Also, back issues of the *Mustang Times* are sold to members only at club cost.

WHAT MEMBERSHIP MEANS

Whether your Mustang or Shelby serves as everyday transportation, a relaxing plaything, or both, you'll find valuable help in you restoration and maintenance problems in the Tech Tips printed in the club magazine, the *Mustang Times*.

This informative, illustrated magazine is distributed every month and contains many interesting features besides the mechanical information mentioned... articles about member cars, news of regional events and activities, all profusely illustrated with photos, diagrams and cartoons. In addition, the *Mustang Times* offers and advertising service to those wishing to buy, sell or swap parts or cars.

Tours, meets, rallies, picnics, camp-outs and other outings designated to encourage group participation (with the Mustang or Shelby, that is) are regularly conducted by the various regional groups located throughout the United States. There is probably one near you! You are warmly invited to attend any of these friendly regional meetings or events.

Shipping Charges

In the continental United States, there is a **minimum shipping charge of $9.95.** Most orders are shipped via UPS or FedEx. Please furnish a complete street address as UPS cannot deliver to a post office box number. **We reserve the right to ship extra heavy or oversize shipments freight collect.** Hoods, fenders and quarter panels fall in this category. If you have prepaid the shipping and the order has to be shipped freight collect, we will refund your prepaid shipping. If you have any question, please call Customer Service 800-228-7346 for assistance. **Please check all truck shipments for damage before signing the bill of lading. Once truck shipments are signed for, no claims can be made for damage.** Some parts require additional handling charges. Fragile items, such as mouldings, will be shipped in PVC tubes and will incur a $15 handling fee. All oversized items will incur a $10 boxing fee and / or crate charges where applicable. Please inquire about additional handling charges when ordering.

Alaska, Hawaii, Puerto Rico and Canadian orders should add 20% estimated shipping and handling with a minimum of $20.00. Other foreign countries should add 35% with a minimum of $20.00. Any excess will be refunded. Canadian customers are responsible for all customs brokerage fees and duties.

Customer Satisfaction

Our goal is customer satisfaction and we strive to sell the highest quality parts at competitive prices. If you encounter a problem with your order, contact us immediately so that we may resolve the problem. We want your repeat business and the business of your friends and neighbors. Most orders are processed and shipped within 24 hours of receipt. If we should need to back order any items, they will be shipped as soon as possible unless you notify us otherwise. If you require your parts delivered by a specific date, please advise us when placing your order and we will do our best to accommodate your needs.

Back Ordered Items

Due to the difficulty of keeping some items in stock, an item you order may be put on back order for later delivery. Most back ordered items can be shipped in 21 days. If you do not receive your back ordered items within the time stated on your notification letter, please call us at 1-800-228-7346 for a revised delivery date.

Origin of Parts

We sell both Genuine Ford and quality reproduction parts acquired from many sources, both domestic and foreign. We will be happy to give you the country of origin of all our parts, if known. All Ford Trademark parts sold (such as emblems, etc.) are licensed by Ford Motor Company®. **The majority of the parts in this catalog are made in the USA, are reproductions of originals and are NOT Genuine Ford.** Auto Krafters is proud to offer reproduction parts and accessories from such manufacturers as Dennis Carpenter®, Auto Custom Carpet®, Jim Osborn Reproductions®, Scott Drake Mustang Parts®, and many others.

NOTE: We are not responsible for typographical errors. Prices are subject to change without notification.

NOTE: Illustrations are typical and may not be representative of the part you are ordering.

ENGINE ASSEMBLIES FROM MILD TO WILD!

Don't overhaul or rebuild that old engine. Replace it with the best.

Auto Krafters is proud to offer replacement engines from Marshall Engines. For over two decades, Marshall Engines has built superior quality replacement engines for cars and light trucks. They demonstrate market leadership with the introduction of the world's first dynamometer tested and documented production replacement engines. Customers have racked up over 4 billion miles on the 200,000 engines they have shipped since 1982. They can build one for you!

Marshall Longblock

MARSHALL ENGINES

Warranty up to 36 months or 100,000 miles. Whichever comes first.

These engines are completely and carefully remanufactured. Rebuilt with new brand-name OE quality parts to achieve performance equal to original equipment. State-of-the-art technology and dedicated builders provide a quality standard in the engine rebuilding industry. 100% of the engine is returned to NEW specifications and tolerances.

Marshall Blueprint®

BLUEPRINT ENGINES

Warranty on street engines up to 24 months or 24,000 miles. Whichever comes first.

When you order a Blueprint® engine you can be assured that it has been thoroughly tested. Rotating assemblies are computer balanced to within 2 grams and horsepower is dyno-tested to verify the proper torque and all is documented and sent to you. Blueprint® engines are available to you as base or premium units.

Ask your salesperson how you can purchase one of these quality engines today!
